Introduction

With over ten years of experience in commercial and residential lighting, BRAVO Lighting provides best-in-class LED lighting solutions. Today we have become synonymous with leadership in thought and reliability in the LED lighting industry. Partnering with customers, understanding their unique needs, and developing world-class LED lighting solutions that exceed customer expectation.

BRAVO promise stylish as well as energy-efficient and environmental friendly LED lighting solutions to incorporate with International Standards. Our Long-life LED chips driven by indigenously manufactured driver designed to meet best power conditions.

LED products convulsion a range of application including Commercial Residential buildings, modern workspaces, industries, retail, healthcare, roads & highways, landscapes, and many more.

BRAVO

LED Downlight

Features

- Special HALOED design with Anti-Glare Lens and Reflector
- Integrated design, Easy to install driver
- Efficient heat sink
- CE and RoHS compliant
- 85% energy saving
- High quality aluminum

3 Years Warranty

220-240 VOLTAGE

High Brightness

Ra ≥80

Ultra LongLife 30,000 H

Applications

Home, Villas, Appartments, Shopping mall, Hotels, Restaurants, Cafes, Office, Government buildings
